

MANIKANDAN R.

Location: Tharamani, Chennai, Tamil Nadu | Phone: +91 9677150782 | Email: mani15520007@gmail.com

PROFESSIONAL SUMMARY

Motivated B.Tech Artificial Intelligence & Data Science student with a strong technical foundation in Python programming, software development, and web fundamentals. Demonstrated capability in designing end-to-end intelligent systems, data processing applications, and micro-controller automation. Passionate about applying technical problem-solving skills to real-world software engineering challenges.

TECHNICAL SKILLS

Languages:	Python, SQL (Basic), HTML5, CSS3, JavaScript
Core Specializations:	Artificial Intelligence, Data Science, Data Structures & Algorithms
Frameworks & Tools:	Flask, Pandas, NumPy, Git, GitHub, VS Code, Arduino IDE

EDUCATION

Anand Institute of Higher Technology	2024 – 2028
Bachelor of Technology in Artificial Intelligence and Data Science — CGPA: 8.96 / 10.0	
Chennai Corporation Higher Secondary School	Tharamani, Chennai
Higher Secondary Certificate (HSC) — 75.17% (2024)	
Secondary School Leaving Certificate (SSLC) — 67.00% (2022)	

PROJECTS

AI Resume Analyzer | Python, Flask, HTML, CSS, JavaScript, PDF Processing

- Architected an AI web application using Python & Flask to parse resume documents and deliver dynamic feedback.
- Implemented custom PDF parsing algorithms to extract technical metrics, improving candidate score analysis precision.

Attendance Management System | Python, Tkinter / Web Fundamentals

- Engineered a GUI-based attendance tracking platform designed to automate student record-keeping and database updates.
- Eliminated manual tracking errors, significantly improving administration processing time and operational data accuracy.

Colors Sorting Machine | Arduino Uno, TCS3200 Color Sensor, Servo Motor

- Designed and built an automated physical color-sorting mechanism integrated with TCS3200 optical color sensors.
- Programmed custom control loops on Arduino Uno to align servo motor positioning based on real-time color spectrum data.

CERTIFICATIONS

- IBM Python for Data Science, AI & Development** — Coursera (July 2026)
Completed comprehensive hands-on training covering core Python, OOP concepts, web APIs, Pandas, NumPy, and AI application fundamentals.

LANGUAGES

- Tamil:** Native Speaker | **English:** Professional Working Proficiency
